

The Plan for the 2021 Young Generation Forum (YGF)

Objectives:

- To establish a forum for young Korean scientists and engineers at home and abroad where they can share their vision for science and technology
- To establish a global cooperative network among young scientists and engineers of Korean heritage that helps them develop qualities to rise as global leaders who will lead the way in the knowledge-based society and to build a foundation that promotes mutual cooperation in the fields of advanced science and technology
- To allow young scientists and engineers of Korean heritage who reside overseas to identify the current scientific and technological development in Korea and to strengthen ethnic ties among them through mutual cooperation.

Dates: (Mon) July 5 - (Sat) July 10, 2021 (5 nights and 6 days)

Locations: Seoul, Gyeonggi Province, Daejeon(Be Scheduled)

Host: Korean Federation of Science & Technology Societies

Eligibility Requirements and Participants:

- **Eligibility: Current undergraduate students with a science, engineering, or technology-related major and an ability to communicate effectively in English or Korean. The participants must be born in 1991 or later.**
- **Participants: 100 persons**
 - **Overseas Participants: 60 persons** (1.5, 2nd or later generation young scientists and engineers with an overseas citizenship or a permanent residency, excluding Korean nationals studying abroad)
 - **Domestic Participants: 40 persons** (Major universities in Korea)

Reimbursement Details:

- Overseas participants: Part of round-trip airfares and entire accommodation expenses for 5 nights
- Domestic participants: Entire accommodation expenses for 5 nights

Schedule (Plan):
