Subject Requesting Recommendations for the Participants in the 2021 YGF

1. The Korean Federation of Science and Technology Societies (KOFST) will be hosting the 2021 Young Generation Forum ('YGF') in Seoul, Korea in which a total of 100 scientists and engineers are expected to participate. The forum is scheduled to be held from Mon, July 5, 2021 to Sat, July 10, 2021, and 60 Korean young scientists and engineers from abroad, including the United States, United Kingdom, Canada, China and Russia as well as 40 young scientists and engineers in Korea will be attending the forum.
2. The YGF has been held every year since 2002 by the KOFST with the aim of building the sense of fellowship within the Korean community as well as promoting the capacity of young scientists and engineers at home and abroad to lead the way in the knowledge-based society by exchanging views on their vision for the future high-tech science and technology and establishing a network and a cooperative system among Korean experts residing in Korea and overseas.
3. Accordingly, we would like to invite and select the participants for the "YGF-2021" as follows. Please recommend us the qualified candidates that are evenly distributed by major and school.
